PROFILE

Passionate student eager to contribute to team growth through hard work, attention to detail and excellent organizational skills. I have a clear understanding of the software developer role and practices used in the industry. Motivated to learn, grow and excel with the guidance this graduate program would offer.

Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals.

Reliable employee seeking software developer graduate position. Offering excellent communication and teamwork. Ready to work with multiple sides of the business to ensure results are met.

WORK EXPERIENCE

Junior Software Developer Intern

Coolr, Sandton   2022

- I used coordination and planning skills to achieve results according to schedule.
- Actively listened to clients' requests, displaying a complete understanding before addressing concerns.
- I demonstrated respect, friendliness and willingness to help wherever needed.
- Used Microsoft Word and other software tools to create documents and other communications.
- Passionately learned new skills and applied them to daily tasks to improve efficiency and productivity.
- Proved successful working within tight deadlines and a fast-paced atmosphere
- Increased client satisfaction by resolving issues.

ACHIEVEMENTS

- Member of Google Developer Students Club
- Participated in AdeptIT hackathon 2023
- Currently working towards Azure AI Fundamentals Microsoft certificate
